3. SIZE GUIDE

### 1. OUR PRODUCTS

Batukao jewelry are little treasures, lovingly crafted with a passion for detail. In every piece of jewelry we combine delicate design and surprising detailing with wearing comfort and the highest quality.

### 2. JEWELRY CARE

All Batukao Jewelry is handmade and therefore requires special gentleness in handling. Please follow below instructions for your jewelry care:

- To avoid scratching, store your jewelry separately, in its original box or a soft pouch.
- Wipe your jewelry with a soft cloth in order to keep its shimmer.
- Please avoid contact with water and scratching on hard surfaces
- Take jewelry off before washing hands, swimming, using cosmetics, perfume, hairspray or other chemical substances. They may damage or color the jewelry.
- Do not place the jewelry in a silver bath, it might harm the oxidized parts of the piece. Use a soft cloth instead.
- Avoid squeezing or using undue force when putting on and taking off. This can not only spoil the shape but can also damage the piece
- Some materials are especially vulnerable to damage from ammonia or any other hot solutions: turquoise, peridot, pearls, malachite, coral, and mother of pearl.

Please note that all silver, leather and rubber chains should be treated carefully, as they are fine chains with subtle closures. Do not bring the pieces in contact with water.

All Batukao pieces are thoroughly checked on quality in the process of design, the choice of materials as well as in production and delivery.

### 3. SIZE GUIDE

As all Batukao products are handmade, the measurements may differ slightly from one item to another. In general, every design has its unique features, some pieces are designed to fit more tightly while others will have a loose fit.

The measurements in the product descriptions as well as the model photos will give you a good guide on proportions and fits of all Batukao jewelry.

## Rings

If you do not know your ring size, please use a ring that fits you comfortably on the finger you have chosen your new ring for.

Please take an accurate ruler and measure the inner diameter of the ring.

You can then find the corresponding ring size you need to order in below chart.

Please note:

- Wider rings should be worn a bit looser than narrow rings.
- Rings with big stones should sit a bit tighter.
- Temperature may affect the size of your finger.

Ring Size	Inner Diameter		UK, AUS, NZ and Ireland	Italy, Spain, NL, CH	US and Canada
	mm	inch			
52	16.5	0.65	L 1/2	11.75	6
54	17.2	0.674	N	13.75	6 3/4
56	17.8	0.698	P	15.75	7 1/2
58	18.5	0.73	Q 1/2	18.25	8 1/2
60	19.2	0.754	S	20.5	9 1/4

## Pendants

It is entirely up to you which type of necklace you wish to combine with your pendant.

All necklaces are available in two different lengths; 45 cm or 70 cm. Please check with necklaces you already possess or with a string of garment.

- **Silver Necklace**

The fine silver necklace has a small, subtle carabiner clasp.

- **Natural rubber necklace**

The rubber necklace has an elegant bajonett closure in sterling silver. This closure opens when you gently press the two parts together and turn them slightly against each other. The matte natural rubber looks elegant and adapts well to the shape of your neck.

- **Leather necklace**

The leather necklace has an elegant bajonett closure in sterling silver. This closure opens when you gently press the two parts together and turn them slightly against each other. The leather may have to be worn a few times before it is seasoned to sit naturally around your neck.

### **Bangles**

Bangles can be worn with the opening facing up or facing down.

Bangles should always be slipped over the thinnest part of your wrist (ca. 6 cm above your wrist) and should fit comfortably.

Avoid squeezing or using undue force when putting on and taking off. This can not only spoil the shape but can also damage the piece.

### **Earrings**

Some of Batukao's earrings have a mechanism for closure. The closures are thoroughly tested by us before you receive your earring. As they are handmade, they should always be handled with care.
