PRIVACY

You can visit the Batukao Online Shop without providing any personal data. In order for us to provide specific services however, we need to process and use your person-related data that we receive via Paypal.

In this, Batukao adheres to all valid legal stipulations relating to data privacy. Your data will only be collated, processed and used if you provide your consent for this or a legal provision allows us to process and/or use your data. To this end, only such data will be collated, processed and used that is required for the execution, and provision, of our services or such data that you voluntarily furnish us with.

This website uses Google Analytics, a webservice of Google Inc. ("Google"). Google Analytics uses so-called "cookies", text files which are stored on your computer and serve for analysis of your use of the website. The information created by this cookie will be transferred to a Google -server in the US. Google has committed itself to adhering to the US Safe Harbor Framework with the European Union and Switzerland for the collation, utilisation and storage of personal data from Switzerland and the European Union member states. The US Safe Harbor Framework was initiated by the US Department of Commerce. With its certification, Google documents that it adheres to the US Safe Harbor data protection agreements regarding the disclosure, options, data security, security, access and implementation. You can find the Google data protection terms and conditions [here](#).

On behalf of the operator of this site, Google uses this information to evaluate your use of this website, in order to make reports on website activities and for further services related to website and internet usage. The IP-adress of your browser that is related to Google Analytics will not be matched with other data of Google.

You can deactivate the use of cookies with Google. However, you will then not be able to fully use all the functions on our website. You can also block the capturing of the data created by cookies and their use by Google, by downloading and installing this browser-plugin: <http://tools.google.com/dlpage/gaoptout>
